RE: Tibbetts Placer Mine
ACT/019/001
Grand County, Utah

Dear Mr. Hart:

It has been almost a year since our last contact with you regarding the above referenced operation. At that time, the only remaining action to be taken prior to the Division issuing final approval was for Luki Milling Corporation to post a reclamation surety bond in the amount of \$42,832. This has not been accomplished to date.

If you do not contact this office by June 7, 1982, an Order to Show Cause why the Division and Board of Oil, Gas and Mining should not withdraw tentative approval will be issued according to Section 40-8-16 of the Utah Mined Land Reclamation Act of 1975 (Title 40-8, UCA Annotated 1953).

I look forward to your earliest response in this matter.

Sincerely,

JAMES W. SMITH, JR.
